Platform Volunteer Donate

Over the past few weeks, I've had the opportunity to connect with people across Iowa House District 99 at community events, front porches, local gatherings, and everywhere in between.

I've heard your hopes, your concerns, and your ideas about how we can build a better future for Southeast Iowa. Every conversation reinforces why this campaign matters so much.

Thank each of you who has volunteered, attended an event, displayed a yard sign, shared our message with friends and neighbors, contributed financially, or simply offered words of encouragement. This campaign is for and powered by people who believe our communities deserve a representative who listens, shows up, and works hard.

Let's keep it up! Hope to see you an upcoming event or two:

Together, We Can Make a Difference

This campaign is about much more than politics. It's about people. It's about making sure Southeast Iowa has a voice in Des Moines that understands our communities, listens to residents, and works toward practical solutions.

We've come a long way already, but there's still work to do between now and November 3rd.

Campaigns are won one conversation, one volunteer shift, and one voter at a time. How can you be the next one? There are so many ways you can contribute:

- Attend an upcoming event
- Knock doors or make phone calls
- Host an event
- Display a yard sign
- Share campaign content on social media
- Invite friends and family to get involved
- Make a financial contribution to help us reach more voters

Every action makes a difference, no matter how big or small. I appreciate them all.

Let's continue this momentum and putting PEOPLE first!

With gratitude,

Jennifer Kirkman

Iowa House District 99 Candidate
